Grass Island

Red House Walk

- 30-45 minutes, each way
- 2 miles RT
- Paved road & beach
- Wear sneakers

Walk to the end of Circle Beach Road, cross through the rocks and follow the beach around the point. At high tide, you might have to wade water (6-12" deep) at some points.

Boat Launch Walk

- 15-20 minutes, each way
- 1 mile RT
- Paved roads
- Wear sneakers or sandals

Walk down Circle Beach Road. Once you reach houses on the marsh side of the road, turn right on the Boat Launch Access Road after the 2nd house. Wood perches in the marsh are osprey nests
